SIMSA Members Meet Face-to-Face with Procurement Staff at GPS

Saskatchewan Industrial Suppliers Association ([SIMSA](http://www.simsa.ca)) members, were able to meet face-to-face with the procurement staff of Crescent Point, Enbridge, and TransCanada during the SIMSA “speed networking event” at the Global Petroleum Show (GPS) in Calgary on June 14th, 2017. And that evening, SIMSA members, were able to network with oil executives, procurement persons at the Saskatchewan Reception.

At the speed networking event, the procurement staff were stationed around the room; SIMSA members had a strictly-timed 5-minutes with each of them, before having to move-along to the next person (sort of like speed dating).

SIMSA members at speed networking event at the GPS.

Following the speed networking event, the Saskatchewan Reception was co-hosted by the Government of Saskatchewan and SIMSA.

At the event, SIMSA members were addressed by the Canadian Association of Petroleum Producers (CAPP) President; CEO Tim McMillan, as well as Saskatchewan's Minister of Energy and Resources Tim Dustin Duncan; and SIMSA's Executive Director Eric Anderson.

Dustin Duncan addresses SIMSA members and others.

The audience included Government persons from around the world, procurement staff, oil executives, SIMSA members and others.

Saskatchewan reception audience listens to Dustin Duncan.

Eric Anderson, SIMSA’s Executive Director, called both events “another pair of business-focused SIMSA events.”

About The Saskatchewan Industrial and Mining Suppliers Association (SIMSA):

SIMSA is the Saskatchewan Industrial and Mining Suppliers Association, representing Saskatchewan based companies who provide goods and services to mining, oil and gas and industrial projects. SIMSA’s membership of approximately 100 companies, represents well-over \$9-billion in annual revenues with the province. SIMSA’s mandate is to represent the interests and concerns of Saskatchewan industrial equipment and service suppliers, through promotion of its members and the creation of partnerships with industry and other associations.
