Crush**

Co-operative Retailing System (CRS)

A man in a green jacket and cap stands in a snowy field, looking over a herd of cattle. The background shows a snowy landscape with trees.

Our Co-op values: Locally Invested

\$3.2 BILLION

FCL and local Co-ops make capital investments in our communities every year. Over the past five years, FCL has spent \$1.9 billion and local Co-ops have invested \$1.3 billion on building, upgrading or expanding facilities in Western Canada.
