

Coverage you can be sure of.

Leveraging an extensive membership of over 30,000 employees, we're proud to extend an inclusive group benefits plan to all SIMSA member companies. Expertly designed to secure member success and employee peace of mind, Protecture – SIMSA Member Benefits Plan is a top-of-the-line package that inspires confidence and caters to your needs.

For Members Like You

Available exclusively to SIMSA members, coverage is ideal for small and medium-sized businesses looking to level the playing field. It is available to companies with as few as three employees.

Let's Talk Perks

Robust group benefits package that rivals those of major industry players. Get the benefits you want and then some with coverage that is comprehensive and customizable, helping employees feel confident and employers compete.

Inclusive coverage. Employees receive access to equal levels of coverage regardless of position or company size. Enjoy the same low health-benefit rates whether you're below ground or above ground, behind a desk or behind the wheel.

Designed by the experts. Protecture – SIMSA Member Benefits Plan was created in partnership with Sutton Benefits & Pension, Saskatchewan-based benefits specialists experienced in the industrial supply chain. We've done the groundwork, so you can reap the rewards—including the ultimate level of protection and peace of mind.

User friendly. Through extensive consultation, SIMSA and Sutton have created packages that are easy to navigate, user-friendly, and intuitive. This includes ongoing support from Sutton advisers, who are on hand to guide you effortlessly through informed decisions and help outline plan advantages to existing and prospective employees.
