## SIMSA Host SaskEnergy Skids-Procurement Event

Saskatchewan Industrial and Mining Suppliers Association's (SIMSA) hosted a SaskEnergy procurement event for SIMSA's members and others. The event focused on SaskEnergy's upcoming RFP for skids.

*SaskEnergy presents at the SIMSA event*

The event was held because TransGas Limited required a steel fabrication company to fabricate and supply Skidded Piping Assemblies, these modularized units will be used throughout our transmission system to more effectively manage project costs and timelines.

Skidded Piping Assemblies consist of structural steel, pressure piping and associated pipe, valves and fittings. Pipe size ranges from 4" through 20". This contract will include minor amounts of instrumentation but will not include electrical supply or installation.

The term of the contract has yet to be determined but would be approximately 5 years in duration.

In attendance:

- Tyson Cote, Manager, Facilities Engineering
- Laine Mann, Manager, Pipeline Facilities Engineering
- Brent Hales, Purchasing Agent, Procurement

*SaskEnergy presenting*

The event agenda was:

- 11:30 am - registration
- 11:55 am – brief comments form SIMSA
- Noon – lunch
- 12:25 pm – introductions
- 12:30 pm – SaskEnergy presentation
- 1:30 pm – networking
- 3:00 pm - close

## **About the Saskatchewan Industrial and Mining Suppliers Association (SIMSA):**

SIMSA is the Saskatchewan Industrial and Mining Suppliers Association, representing Saskatchewan based companies who provide goods and services to mining, oil and gas and industrial projects. SIMSA's membership of over 200 companies, represents over \$10-billion in annual revenues and 21,000 employees in the province. SIMSA's mandate is to represent the interests and concerns of Saskatchewan industrial equipment and service suppliers, through promotion of its members and the creation of partnerships with industry and other associations.
