# SAFETY

**| OUR GREATEST INDICATOR OF SUCCESS**

Across each of our job sites, one goal unites every project: everybody goes home safe every day.

TARGET **PCL** >>>

**ZERO**

INCIDENTS

# SAFETY

SAFETY

## Creating a safe, dynamic culture

Safety is at the core of everything we do and is one of our most central guiding principles. We promote and foster a culture where people truly care about one another and where everyone shares in our goal of zero incidents.

**Our safety professionals strive to ensure everyone returns home safe at the end of the day.**

7

# SAFETY

— SAFETY IN PRACTICE

## Continuous Improvement

We recognize that our people are our most valuable asset, and we are dedicated to providing and maintaining a safe and healthy work environment for all. We're continuously looking for innovative ways to improve our safety practices and to work with our trade partners to embrace a mindset that is unwilling to compromise when it comes to keeping people safe at work.
