

A photograph of two men standing in a field of tall grass. The man on the left is wearing a white button-down shirt, blue jeans, and a large gold belt buckle. The man on the right is wearing a brown blazer and dark trousers. They appear to be in conversation. The background consists of a line of trees with some autumn-colored foliage under a clear blue sky.

Saskatchewan Industrial and Mining Suppliers Association

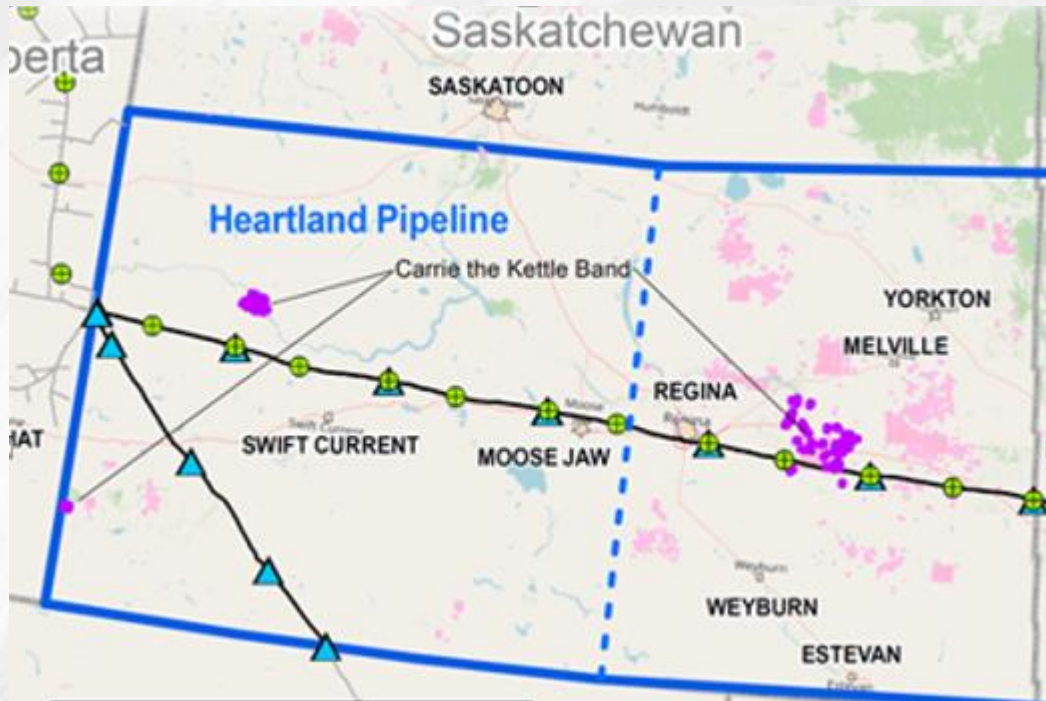

Energy Forum 2021

Lane Boucher, Community Liaison for SK and MB
